

## Camp Galilee 2020 COVID-19 Waiver

*In light of the COVID-19 virus, Camp Galilee has made changes to some of our programs, policies, and procedures. These changes are highlighted below and in our COVID-19 Policies, but may change as we receive more information and guidance from CDC and other healthcare professionals.*

**By signing this waiver, I acknowledge that I have read, understand and am willing to abide by the Camp Galilee COVID-19 policy. I further acknowledge the following:**

1. It is Camp Galilee's policy that no camper may attend camp if they or any person living in their home, shows or has shown any symptoms of COVID-19 in the 14 days prior to their arrival at camp. And, no camper may attend camp who has knowingly been in contact with someone who has symptoms and/or who tested positive for COVID-19 in the 14 days prior to the start of their session.
2. Camp Galilee has advised me that should my camper have a pre-existing condition which might make them more susceptible or at-risk to COVID-19, they should not attend camp.
3. If a camper or staff member shows signs of a fever, they will be immediately quarantined in the camp health cottage. If individuals maintain a fever for more than 3 hours, their guardians will be notified of their symptoms. If the individual maintains a fever for more than 8 hours, guardians will be asked to pick up their camper immediately. I understand that if my camper shows symptoms of COVID-19, they must be picked up within 24-hours of notification.
4. Camp Galilee is taking extreme precaution to ensure the health and safety of all campers is maintained in light of COVID-19. However, it cannot be guaranteed that campers or their families will not be exposed to the COVID-19 virus, and Camp Galilee will not be held responsible for the exposure of individuals involved in our program.
5. Camp Galilee has advised me of the need to prevent my child from having close physical contact with anyone who is over the age of 65 or otherwise in a medically compromised condition for 14 days after returning home from camp.
6. If my camper should need to leave camp due to COVID-19 concerns, I understand that I will not receive a refund for their camp tuition.
7. I release the following parties from any responsibility related to COVID-19: Camp Galilee Inc., Camp Galilee LLC, and its owners, employees, and volunteers.
